SUPER	00:05	When you have questions about your health plan, an expert is always close at hand.
Rob Methvin:	<a href="#">00:09</a>	That's us.
Tamika Morris:	<a href="#">00:10</a>	Let's go.
SUPER	00:13	Health expenses are rising sharply. Can you help take the edge off?
Tamika Morris	<a href="#">00:16</a>	This one hits a little close to home for all of us right now. I always start out by making sure all of your providers are in network.
SUPER	00:16	Clinical Manager   Benefits Advocate Supervisor
Rob Methvin:	<a href="#">00:22</a>	And in many cases, we can even provide telehealth services, which saves you time and money.
Tamika Morris:	<a href="#">00:27</a>	Prescriptions are another area that we can help. A lot of times there are generic drugs that work just as well for less money.
Rob Methvin:	<a href="#">00:34</a>	Home delivery could also provide you with some surprising savings.
SUPER	00:40	Talk to a Duke Energy myHealth Connect team member today.
Tamika Morris:	<a href="#">00:42</a>	There's no question too big or too small. If it's about your health plan...
Rob Methvin:	<a href="#">00:46</a>	We're here to help.
